www.peconiclake.org Since 1952

## February 2023

2023 is going to be an exciting year for our neighborhood and for PLECO. First, please join us in extending our sincerest appreciation and thank you to Ed Daszewski, outgoing PLECO President, and Patty Daszewski, outgoing PLECO Secretary/Treasurer, for their years of leadership, service, and warmth as they stewarded PLECO and made it the organization and community it is today. PLECO was established in 1952 with a vision for a community and camaraderie with an enhanced quality of life centered around the Peconic Estuary.

Peconic Lake Estates was originally formed as a Homeowners' Association but has since evolved into a membership-funded civic group, working for the safety of, and support to, our environmentally sensitive location and its inhabitants. We support the neighborhood community through educational speakers, social events, engagement with local leaders, and monthly meetings which enable us to come together for the betterment of the neighborhood. 2022 highlights include the road cleanup, chili cookoff, and engagement with our local politicians to address concerns related to lake, water, and septic improvements.

As an organization we desire to do more community-based functions and with your help we can accomplish that by your membership of \$50.00 (Resident) or \$100 (Associate). JOIN BEFORE 3/15/2023 and receive \$5.00 off your membership fee (must be postmarked by Mar 15<sup>th</sup>, 2023).

<u>Are you a veteran?</u> Please accept our gratitude for your service with a <u>10% discount on your Associate/Bassmaster/LIKBF PLECO membership</u>.) For our Resident Members 25% discount on Clubhouse rentals. <u>Just attach your DD214</u> (required for approval) to your application for membership or user agreement. Resident Military Veteran membership is free.

The PLECO clubhouse was also recently renovated and would serve as a peaceful and beautiful location for a small event such as a small support group or monthly meeting or a special function (e.g., veterans' group BBQ). The relatively low fees for use of the clubhouse go a long way toward supporting PLECO's mission and serving the neighborhood.

## How can you help our community?

- Ask a more senior neighbor if you can pick up some groceries for them. Or, recruit your children
  to help them with landscaping or spend small amounts of time visiting with them or walking
  their pets.
- Attend monthly meetings between April November <u>last Monday of the month</u>.
- Greet a new neighbor; make them feel welcome. Tell them about PLECO. Share information that you can share with PLECO.
- Join PLECO and get involved with your community.
- Help with bi-annual road clean-ups (enjoy a nice breakfast with the group). Again, get your children involved, it is community service for their schools. <u>As a member, your children's</u> involvement in PLECO makes them eligible to apply for the PLECO Scholarship.

We look forward to seeing you around the neighborhood!

PO Box 312 Calverton, NY 11933-0312 Website: peconiclake.org

## 2023 Annual Membership

Circle which membership applies and fill in the rest of the application from below, sign and include payment. Make a check or money order payable to PLECO, Inc.
